

Happy memories as Blues face two tough matches

WYCOMBE Wanderers start their Bank Holiday programme on Saturday at Dulwich, as Blues look for their first win of the season.

Last season Wycombe did manage to defeat them when they inflicted the first defeat on the then third placed club. That was the position Dulwich finally finished in, having looked possible champions until the final weeks.

Dulwich blame to some extent their failure to win the league title on their involvement in the Anglo Italian Cup, a competition they will think twice about entering again this year if invited.

The team suffered a set back on the first day of the season when their new signing from Enfield, Micky Glover, broke a leg. Another summer signing was Gary Allen from Carshalton. He appears to have settled down well and scored the second of the club's goals in midweek.

Note

A note for supporter going to the match by car is that parking room is restricted in the ground because a new club room is being built.

On Monday Blues switch their attentions to the Hitachi League Cup when they travel to Hayes. The

club are suffering severe injury problems at present, with eight first choice players on the sidelines.

Memories

On Tuesday evening at Slough, when Hayes came away with a creditable draw, they fielded a team made up almost entirely of youth and reserve team players.

The last time Wycombe played Hayes was at Loakes Park in March. That match probably holds special memories for Paul Miles who hit an eight minute hat-trick as Blues came back from 1-0 down with 14 minutes to go to win 3-1.
